Dear Parents/Carers of current YEAR 3 children,

Castle Head - Year 4 - October or November

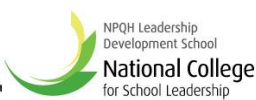

We are hoping to be able to secure a booking at Castlehead Field Study Centre near Grange-over-Sands during the Autumn term 2018 for our Year 4 children (current Year 3) on an Environmental Explorer visit, including an over-night stay.

At this stage we are unable to confirm dates but the visit will include train travel from school and back, tuition during the time spent at the Centre, evening meal, accommodation, breakfast and a packed lunch for Friday.

During the time away from home children would take part in various activities looking at the wildlife in the immediate area, work on team building skills and join in with an evening activity all led by experienced and qualified tutors. The course would be fine-tuned according to our needs but would link to our National Curriculum for geography and science. All risk assessments are completed by the Field Studies Council for their activities and we would complete risk assessments for the journey to and from the centre. The children would be supported at all times by staff from our school.

Should you wish your child to take part in this wonderful opportunity can you please complete the form below and return it to show an expression of interest.

The cost of this trip will be approximately £80.00. If your child receives Free School Meals at the time of the visit there will be a discount available. Please speak to a member of the office staff for further information.

If you would like your child to participate, please return the consent form with a non-refundable £50 deposit by Friday 2nd March. Please make cheques payable to Lancaster Road School. Places and dates for final payments will be confirmed by 23rd March and after this you are able to pay towards this trip at any time.

This trip is available through online SCOPAY payments, which is our preferred method of payment and to give consent.

If you have any questions about this trip do not hesitate to contact me.

Yours faithfully,

Mrs Julie Maxfield
Assistant Head Teacher
