E for Eric, B for Bartholomew and M for Morecambe. Making links with our famous past pupil Eric Bartholomew Morecambe. We plan to have events together across the age groups next year. E.g. Assemblies with all classes in the same group, occasional playtimes together so the older children can play with the younger children.

The class name the children have been given for September will stay with them now. Only the number at the beginning will change as they move through the year groups.

We are welcoming 3 new teachers to the team - Mrs Parish in reception, Mr Hart in year 1 and Mr Airey in year 3.

Where we have job share arrangements we will write to you showing the days of the week each teacher will be teaching over coming weeks.

Opportunities to meet your child's new teacher(s) -

All our new teachers will be with us for our open afternoon on July 19th at 3:30 - 5pm and if our transition plan works well your child will have spent quality time in their new room with their new teacher(s) in the last week of term.
